MyCuOpportunities

Narain Yegneswara Sharma
Ram Das Diwakaran
Ranganathan Chidambaranathan

Primary Features

- Students can **search** for ***on-campus jobs*** (or) other ***student-created opportunities***
- Students can **apply** for a job.
- Student can **save** to his profile.
- Students can **post** an opportunity.
 - **Eg.** "Project partner required"

Demo

https://youtu.be/JsX5S2kuFwU

Architecture

Client - Server

Android Client

MAMP Server

Server Script - PHP

MySQL Database

Architectural Pattern

Model - View - Presenter

Design Pattern

Façade

- An interface that provides limited features of a bigger set of functionalities.
- Helps limit the access to the Server in case of a Student
  - Eg. A student can only view the on-campus jobs but can't create

Thank you!
